Spirit

When Helix first opened its doors in 1953, there were no traditions. Traditions are not invented, but rather they evolve. Over the course of the 32 years there have been many traditions developed by our predecessors. Helix is now a school full of traditions. Our diverse student body, comprised of 2,120 students, came from one of the most traditional schools in the country; yet each individual proceeded to take his own special direction to become involved with tradition.

One way in which this is conveyed is the spirit present at Helix. Whether it is cheering the mighty Scotties on to another victory, or participating in the numerous campus activities, Highlander pride always shines through. There are pep rallies, spirit ribbons, football games, Homecoming week, and Halloween dress-up. Helix has always provided an environment for tradition, and every student has been given the opportunity to be either an individual or in a group at a certain time, place, or event.

Competition

In each of our lives, we have managed to accomplish one thing: being competitive. We all strive to be better than that person standing next to us; the one that we do not know. Whether we are just playing a simple game of Space Invaders, or trying to out yell our mother at Homecoming, we all have fallen guilty to being competitive. But it is alright, because it is a part of our lives; it is a tradition now. A tradition that will not go away; it is a part of us now; something that we cannot do without. Being competitive will get us further in life. *Competition* is a tradition with a *touch of the future*.

ORGANIZATIONS

At the top of the page, there is a small, faint, and mostly illegible text block. It appears to contain several lines of text, possibly a list or a short paragraph, but the characters are too blurry to transcribe accurately.

HIGHLANDERS MARCH ON

"Extensive travel, unique cultural experience, and group unity were just a few reasons why the Helix High School Band was noted for excellence," said Mr. Richard Almanza. The band's schedule of activities was a very busy one. They placed second in the Rowland Heights Band Review, the Vista Field Show Tournament, and the Chula Vista Fiesta de la Luna Parade. Other activities included the Chino Band Review, Mission Viejo Band Review and Field Show Tournament, plus the Long Beach

All Western Band Review. Annual performances that were an important part of the band's activities as well as their main source of revenue were the Band Jamboree, the December Christmas Concert, the Spring Concert, the Pops Concert, and the Maytime Band Review. According to Almanza, the band's objectives were to "promote music among the students, community, and anyone else whom we may come in contact with, and to become the best at what we do."

A Step In Time

Hi-steppers faced a busy schedule. Because tryouts were held later than usual the girls had less time to learn the routines. But according to Captain Darrie Nowell, "the girls worked harder than ever and did a super job. The new drill teamers caught on fast." Starting in October the team participated in the Columbus Day Parade. Following that, they marched in the Roland Heights Parade, the Fiesta de la Luna Parade and the Oceanside Christmas Parade. Other contests included the Vista Field Tournament, Maytime in National City and the Miss Drill Team USA contest in Santa Monica. To help pay expenses the team held candy bar and mistletoe sales. Team leaders included Darrie Nowell, captain; Kim Ragsdale, first lieutenant and DeAnna Arellano, second lieutenant. "The team had only three leaders instead of five so it was a greater honor to be one," stated Captain Darrie. Officers included Jackie Vorhies, president, Aundrea Harrison, secretary, DeAnna Arellano, treasurer; Darrie Nowell, social historian and Trish Ebert, Angie Moyal, publicity. Their advisor was Everdean Edwards.

Highland League is an organization that provides services to the school and community. This year's cabinet consisted of twenty-one members, all of whom worked diligently to insure successful events. These events included the Frosh Picnic, Canned Food Drive, Winter Formal, Fashionality Night, Leading Lads and Lassies, Teacher Appreciation Day and the annual Installation Dinner. Also included were bake sales, spirit item sales, flower sales, convalescent visits, a trash-a-thon and a pre-game bar-b-que. According to president Becky Hoffman, "This year went well; we accomplished more than in years past because of such a supportive cabinet." A special thanks to advisors Parker Olsen and Ron Ray was shared by all members.

International Club

International Club, an organization devoted to promoting friendship and understanding among all nations, sponsored their annual sticker drive in March and a candy sale in October. Funds raised went into a scholarship fund to assist American students accepted into foreign exchange programs, and helped entertain foreign exchange students attending Helix from abroad. Through programs such as AFS, WE, etc., Helix was privileged to welcome 3 exchange students this year. This included Ollie Karimemi from Finland, Tiziana Lombardo from Italy, and Miquel Zarza from Paraguay.

The club officers were Mike Daz, president, Ollie Karimemi, vice-president, and K m Green, secretary and treasurer.

The members were A A gaier, O Awadat ah, M A Zarra, S Brown, M Copeland, P de Gravelles, M Daz, R Edney, G Eng, C Gilley, J Gil land, N Gassland, K Green, S Harder, A Harrison, I Haider, A Ibarra, A Jessop, D Jonesue, O Karimemi, T Lombardo, R Martin, J Nye, S Nyenhuu, J Ridenour, and A Rabie.

Key Club Opens Doors

Sponsored by the La Mesa Kiwanis, the Helix Key Club is a service organization linked to the International Organization of Key Clubs. Their purpose or aim is to provide services to the school and community around them. Their goal is realized through several projects such as the Muscular Dystrophy Telethon held in August and the Walk for Mankind that took place in E. Capon. To raise money for their annual convention, the members participated in the Kiwanis apple sale in October and sold Entertainment '83 ticket books. They were advised by Bob Eckert from Helix, and by David Gillespie and Pear Karlsgodt from the L. M. Kiwanis Club.

Key Club officers were: Rick Hall, president; Mike Briery, vice-president; Renee Arakawa, secretary; and Gretchen Elfers, treasurer.

The members were: J. Adams, M. Almone, A. Algaer, R. Arakawa, M. Briery, G. Elfers, G. Fink, J. Fraizer, P. Gilman, R. Hall, A. Harrison, R. Hart, S. Hill, K. Hodge, L. Huskey, M. Hutcherson, M. Jaffer, S. Logans, C. Weber, F. Wilcox, and K. Zupfi.

Human Relations: Human Equity

Human Relations, a service organization on campus, shared a common goal which was to promote better understanding and relations among all people. Members of the group held a fund-raiser to raise money to sponsor a workshop held in January. At this workshop students were given the opportunity to interact around a central theme "Human Equity."

While Greg Eng served as secretary treasurer, Nan and Jan Gilliland shared the title as co-directors for the organization. Their advisors were Mr. Don Bonney and Mr. Larry Maw.

The members were: J. Aharon, M. Andrade, A. Araiza, T. Atercio, T. Beaver, L. Branson, E. Cader, T. Connolly, M. Danner, J. Edney, R. Edney, G. Eng, L. Gadler, M. Gadler, C. Gifford, J. Gilliland, N. Student Council

Through *Student Council*, the student body was able to voice their opinions concerning campus activities and affairs. Representatives of 2nd period attended the monthly meetings and were to report the information discussed to the students in their classes. Alisa Scheidel, the A.S.B. vice-president, organized and conducted the meetings. Matters concerning students, approval of clubs, both on and off campus, school dances and fund raisers were a few issues discussed at the meetings. The council also provided a chance for students to learn and develop leadership skills.

State

Jamie Hill and Pat de Gravelles were granted the honor of going to *Girls and Boys State* this year. The two were candidates of six, chosen from their peers and faculty with a final interview from the auxiliaries of the American Legion. Boys State took place at Sacramento State University from June 19 until June 25, while Girls State, held on the same campus, took place from June 28 until July 5. Jamie and Pat each experienced a week long simulation of our state government system. According to Jamie, " . . . the experience was phenomenal!" Girls and boys from all around the state attended to obtain a clearer picture of how to become an active member of our government system. Pat was appointed to the Governor's council and was a lobbyist, while Jamie was elected as a state Senator and served as a City Planning Commissioner in the mock government situation.

MATH TEAM

The Math Team led by advisor, Jack Munson, worked to train people to win the many scheduled math contests of 1982. The students involved were chosen for their talent and ability in abstract mathematics concepts. Each year the Math Team conducts a math field day in order to seek out these students. With Jack Munson as the advisor, the team looked towards a promising year to uphold the annual Helix tradition of a high ranking position.

This year the Math Team contests the Math Team was involved in included the ATPAC — L.S.A. and the CAML which were held all year and several other contests including Occidental, San Luis Obispo, and U.C.S.D.

Math Team members included: Adrian Allgaier, April Allgaier, Steve Ausong, Mark Auer, Tom Auer, Ron Auer, Jim Frost, Stephen Hill, Robin Lim, Marianne McVeigh, John Michno, Minh Chanh Nguyen, Doug Renert, and Mark Sussman.

SCIENCE CLUB

Mr. Watenpugh and Mrs. Larivee helped students extend their science education beyond the classroom. The Science club brought together the students with a high interest in science to help develop their talent and abilities. With Mark Hutcherson as President, Tae Kim as Vice President, Steve Hill as Secretary and Kim Green as Treasurer, the group planned many activities to fulfill their purpose.

Science club members included: Carrie Corcoran, Edd Curry, Chris Goley, Kim Green, Jim Heid, Steve Hill, Mark Hutcherson, Tae Kim, Robin Lim, John Michno, Susan Nienhuis, Patty Scolese, and Carrie Weber.

Journalists Survive Challenge

Many members of the 1982-83 Highland Fling Staff were experienced and prepared for the difficult and dedicated job ahead of them. The Fling Staff worked hard this year trying to put together a newspaper which was both informative and enjoyable to read. Under the direction of Mrs. Jessica Patton and the editorial skills of the editor-in-chief Penny Tyson, the Fling staff pulled together to meet the strict deadlines. "The 'cubs' were very talented this year and had great ideas once we got them moving," said Penny Tyson. Because of the larger staff and more experienced writers, the Fling was able to put out a few extra 8-page editions, plus the Christmas and the Senior special editions. The Fling informed Helix students of school and community news, sports events, plus controversial issues and feature stories which might affect the school and the students.

Tutterow, J. Urich, G. Vataiano, M. Vitale, D. Zasucha.

Drama Club

Exposing students to the performing arts and developing an awareness of their talents and abilities was the objective of the Drama club. The 39 member group planned activities such as, Comedy Tonight IV, which took place in November, the Record Pantomime Night, Final Scene Night, the Spring Play and "90 Minutes of Entertainment." President, Margie Sherrill, Vice-President, Bill Fisher, Secretary, Jana Carter and Treasurer, Grant Conrad worked with their advisor, Mrs. Evonne Noll, to show quality productions. Lshering in theatres as The Fox, and the Casius Carter allowed the students to see off Broadway plays for free and give them new ideas in acting, stage sets and lighting.

Performing Talents

Speech Team

Speech Team represented Helix in local, state and national forensic league competition. Participation in these events was participated by the West A Team that was placed in the Southern California Forensic League, El Paso and Congress SOSE Forensic, Patrick Henry Christmas Classic, El Camino, Palomar, State Qualifiers, National Qualifiers and State Finals. The team also sponsored a Jr. High tournament in May. The group helped students develop their public speaking and debate skills and learn about the different and varied speaking events. Advised by Mrs. Christine Morretti, Speech Team was goal-oriented for success in the forensic league. The team was a member of the National Forensic League.

Literary Entertainment

Pep Band

The Pep Band represents Helix at all varsity football games, some J V football games and home basketball games. They promote student spirit by performing at pep rallies and among the members of the general band. Pep Band is a completely student-run organization, with Dan Anfinson as president and Mr. Almanza as their advisor.

The members were J. Abernathie, D. Anfinson, A. Farrell, G. Fink, J. Frost, T. Hathaway, B. James, I. Latimer, T. Lucas, M. McVeigh, S. Nicholson, C. Prie, C. Strong, R. Trester.

Literary Magazine

The objective of this group was to prepare the 1983 edition of the Helix Literary Magazine. *Second Thoughts*, the magazine's title, consists of poetry, prose, short stories, artwork and photography

submitted by Helix students. The members of the group serve as the magazine staff, responsible for the organization and editing of the yearly edition. Mr. Dave Landry was the advisor.

Members were Allison Anderson, Dan Anfinson, David Bryant, Jamie Hu, Fritz Kuckuck, J. Lee Ridenour, and Nancy Van Buren.

Moral, Spiritual, Environment

Young Life

Young Life met on Wednesday evenings at student's homes and got together for fun and fellowship. Each club consisted of singing, funny skits and a message at the end. The leaders were Pam Trask, Melonie Heald, Paul Luciani, Tom Jonson, Frank Grow, Coreen Cook, and Chris Panek. They strived to communicate Christ through discussing various topics concerning the world around them. *Young Life* activities included the Halloween Party, Football Recognition Night, the Tweek Hunt, All-City-Club and the Over-the-Line Tournament. The summer and winter camps were Oakbridge, Woodleaf, Wilderness Ranch and Sailing Beyond.

Experienced By Group Members

Maranatha

Maranatha Club was established to help improve the moral and spiritual environment on our Helix campus. During lunches they watched films ranging from drama to true stories and listened to special speakers talk about service organizations. Activities included a cake sale, Thanksgiving luncheon, and after-finals pizza blast.

Their members included Irene Cordle, Ted Drescher, Scott Gathrie, Chuck Hicks, Bob Kreczmer, Teri Phillips, Pamela Rodgers, Connie Stewart, Nelda Soto, and Linh Vo. Their advisors were Mr. Jon Schmidt and Mr. Tom Heyer.

Campus Life

Campus Life met on Tuesday nights at various student's homes to help understand themselves and the world around them through open discussions. This provided an opportunity for the students to discuss problems as well as relationships and Christianity. Some of their activities included the annual Burger Bash, Campus Life

Haunted House, Living End Ski Trip, Plan Starvation, and a car wash.

Their members included: L. Agar, B. Battleson, M. Brierley, B. Burdge, B. Cabigao, K. Cunningham, M. Deters, T. Frutzer, R. Hart, M. Iverson, D. Kuhlal, S. Martin, M. McBride, and E. Wilcox.

Variety Makes Helix

Boardgames

Mrs. Larivee was the advisor of the Boardgame club, a new organization in 1983. The club sought to teach and enjoy boardgames. The games included slaying Dragons and trying to solve the Prism. Mark Yturalde served as President. Mark Shino served as Vice-President and Tony Kodis was Secretary with Tracy Shearer as Treasurer.

Boardgame club members were Kevin Allen, Andy Bailey, Ken Beck, Jeff Etum, Tony Kodis, Tim Ridder, Mark Shino, Tracy Shearer, Kenny Strauss, and Mark Yturalde.

Ski Club

The Ski Club put their time and effort in organizing fund raisers for ski trips. The club planned, among its many activities, a car wash, hot dog sales, a jog-a-thon and bake sales to help contribute to the financial fund. The Ski Club was involved in some local ski trips as well as a Colorado ski trip during Easter vacation along with other ski clubs in the area. Ms. McGee was the new advisor of the club and she says, "It is a lot of work but I'm excited about the whole thing." Crissey Reynolds served as President with Tony Andrade as Vice President and He Ho West as Secretary/Treasurer.

Ski Club members included Tony Andrade, April Allen, Laura Bras, Darren Erb, Meredith Korn, Joe LaBrincha, Jeff Moody, Chris Reynolds, Eric Swanson, He Ho West, and Tom Wilson.

A Well-Rounded School

Mat Maids

Throughout the wrestling season, Mat Maids promoted spirit at matches and tournaments, and helped by keeping score and

statistics. The wrestler's lockers were decorated by the members and signs and posters were made to inform students of the matches. A calendar sale was held in January to raise money for the wrestling program. Mr. Dick Langston was the group's advisor.

The members were: Wendy Caldwell, Kim Caparas, Kim Connors, Teresa Connors, Tina Cunningham, Kim Freeman, Lisa Gillingham, Nicole Guss, Shanon Hartman, Susan Husey, Jennifer Keen, Shannon Keen, Jill Langston, Nick Simpson, Eve Spauld, Lisa Stah, Sandy Young, Deb Wyckmore, Lori Young.

Associated Student Body

ASB planned and organized many school-related activities. This included such things as: dances, assemblies, Homecoming, and Clan activities. They also served the school through budget planning, student store, sales, concessions, and by making a large number of posters. "This year's ASB has made great strides in better serving the students," said ASB advisor Mr. Bonney. He went on to say, "Many of our members have attended leadership training

programs by the California Association of Student Councils (CASC), a state wide association of student leaders. Through involvement with CASC, and what was learned there, the functions of both ASB and Student Council have greatly improved." Members are mainly elected by the student body or appointed into specific positions. In addition to their normal class time they spent many extra hours either preparing or carrying out activities

A Night To Remember

The Scottish Rite Temple was the setting for the 1982 Winter Formal. Highland League members were responsible for decorations and planning. The dance was held from 8:00 pm to 12:00 pm and featured the band, *Daily Planet*. During the dance, the annual crowning of the king and queen was presented. The court included Cathi Weaver and Mark Allen, Jamie Hill and Chuck Cecil, Karen Copeland and Kimo Cano, Meri Adams and Kevin Beaver, La Vina Lowery and David Kuhlal. Last years king and queen, Mark Nadeau and Alison Usher, were present to relinquish their crowns to their successors. The king and queen, chosen by those attending the dance for their involvement at school, were Chuck Cecil and Karen Copeland. While some of the 200 couples danced to the sound of *Daily Planet*, others enjoyed refreshments or had their pictures taken. But whatever they involved themselves in, it was for all, "a night to remember."

The 1982 Winter Formal King and Queen were Chuck Cecil and Karen Copeland.

The Royal Court included Cathi Weaver and Mark Allen, Jamie Hill and Kimo Cano, Meri Adams and Kevin Beaver, La Vina Lowery and David Kuhlal.

Life Continues After School

While the last bell symbolized the end of school for the day, it also meant the beginning of *after school activities*. With an early school day, Highlanders had the opportunity to pursue many interests. For some this included eating at a popular hangout, sleeping or watching their favorite soap. Many participated in sports or were employed in part-time jobs. Still others enjoyed going to the beach or seeing a movie with a group of friends. No matter what Helix students involved themselves in though, they all found that life does continue after school.

School Life Endured

None knows the day that friends must part,
None knows how near is sorrow,
If there be laughter in your heart,
Don't hold it for tomorrow
Smile all the smiles you can today;
Grief waits for all along the way

Today is ours for joy and mirth,
We may be sad tomorrow,
Then let us sing for all we're worth,
Not give a thought to sorrow
None knows what lies along the way;
Let's smile what smiles we can today

Students Benefit From Electives

Career-oriented electives were a necessary and important segment of the curriculum this year. They enabled students to enroll in classes that would apply to future endeavors in the commercial world. New interests were generated through classes such as electronics, cabinetmaking, graphic communication, single survival, auto tune up and photography. According to electronics instructor Lou Laterza, "These classes gave students a real nuts-and-bolts approach in selecting a career to pursue. And, on the academic scene were electives for college-bound seniors. These included classes such as film as literature, personal finance, oceanography, stagecraft, speech, foreign language and music. Said oceanography instructor Parker Olsen, "Students enrolled in my class are exposed to a variety of subject areas that serve as prerequisites to similar classes offered at the college level."

The Good Ol' Days

Homecoming is a chance to recognize students who have given outstanding service to the school. Those chosen by fellow seniors as Homecoming candidates included: Mary Farrelly and Jeff Merghart, Kristy Rankin and Andy Biehl, Kim DeSelms and Mike Brierley, Brenda Mathis and Corey Way, Becky Hoffman and Lance Buckley and Kandi Hosey and Scott Webb. During the week preceding Homecoming the royal court participated in different competitions such as a "make a sundae on your prince's face" contest, a "legs contest, a "make me beautiful" contest and relay races. Also included in the week was the annual Homecoming Assembly which was presented by ASB to create spirit throughout the school. A run-through contest, competition between the royal court, performances by the cheerleaders and the revealing of senior standouts were all part of the activities at the assembly. At the conclusion of Homecoming week, Jeff Merghart and Mary Farrelly were crowned king and queen of '82.

King Jeff, Queen Mary

It was in the ASB office on Friday evening, October 15, where the air was tense, the atmosphere anxious and the royal court nervously awaited an entrance onto the track. At half time, as antique cars delivered each Prince and Princess to the gate, the band played and then grew silent as names were announced. The stadium lights dimmed, the crowd quieted. "The 1982 Homecoming King and Queen are Jeff Merghart and Mary Farrelly!" With excitement still in the air, the crowd was treated to a sparkling array of fireworks. It was an evening where long lost friends were reunited once again as they found themselves rooting for their team, the Scotties, who notched their 4th straight victory with a 28-0 rout over El Capitan. As the gun sounded the end of the game

players and fans left slowly, stopping along the way to admire the scoreboard and savor the moment. Then it was on to the dance where clusters of students witnessed the climax of ASB's version of "The Good Ol' Days."

Homecoming Queen Mary Farrelly was vice-president of her class her freshman year. She had been in Young Life and was a standout in track. Mary was also involved on Tartan staff. Homecoming King Jeff Merghart was a cartoonist on the Highland Fling all of his years at Helix and he assisted ASB with his artistic talents. He also played football.

The Royal Court of '82

The royal court included Princess Kristy Rankin. Kristy was a member of the varsity swim team and was involved in ASB. In addition, she was editor of the Tartan and in High and League. She was escorted by Andy Biehl. Andy performed outstandingly in water polo and swim during his four years at Helix. He also excelled academically. Princess Kim DeSeims was very active in her years at Helix. She was freshman secretary, commissioner of spirit and ASB vice-president. She was also senior class secretary. Kim's escort, Mike Brierley, was very involved in ASB for three years. He was also on Tartan staff and senior board. In her four years at Helix, Princess Brenda Mathis had run track, was both a JV and varsity cheerleader and was on the dance team. She also was spirit commissioner. Her escort, Corey Way, was a participant in football, basketball and baseball. He was also on the Tartan staff and a reporter for Highland Fling. Princess Becky Hoffman was Highland League president her senior year. She was captain of JV cheer, in ASB and on both junior and senior Board. Escorting Becky was Lance Buckley. Lance was senior class president and actively involved in ASB. Kandi Hosey was commissioner of activities her senior year, freshman class president and involved in sports. Her escort, Scott Webb, excelled in basketball, baseball and football. He was quarterback at the Homecoming game as well as being an all-American kicker.

Senior Board kept busy during the summer and throughout the year preparing for the Senior Prom. Officers Lance Buckley, President; Michelle McBride, Vice-President; Kim DeSelms, Secretary; and Mark Iverson, Treasurer selected different committees to plan Senior activities such as Senior Breakfast, Annual Signing Party, Grad Night, After Prom, and Graduation. Aided by Senior Class advisors Mr. Ron Ray and Mr. Parker Olsen, Senior Board sponsored many successful fundraisers which helped to keep the costs of these activities down. Senior Board made it a productive year for the Class of 83.

Senior Board members were: K. Lungwitz, K. Altman, D. Smith, N. G. Giland, L. Lowery, D. Adams, K. Finsen, M. Adams, M. Zueger, L. Vital, J. Igarashi, T. Beaver, P. Iverson, S. Pinterich, R. I feel different from everyone else.
 I don't need to conform to what others want me to be
 I just need to be what I am.
 I don't need to impress other people
 I just need to do the best I can.
 I don't need to keep running.
 I am content with my activities
 I don't need a lot of people
 I am happy to be alone, thinking about you.
 I am very satisfied with my life.
 I guess it's the knowledge that though we're not to-

 You care about everything I do,
 and You share all my thoughts and dreams.

The selection process of Leading Lads 'N Lassies was handled differently this year. Traditionally the selection was made by the Senior Class, but Highland League felt that a change was needed. "Seniors should be recognized for excelling in academics, as well as extra-curricular activities," said Highland League President Becky Holtman. Eighteen students were chosen for their outstanding contributions in various departments including Athletics, Art, Sciences, Math, Business, Cheer, A S B, Music, Journalism, and Language. With the exception of June, one Lad and one Lassie were selected each month by department heads and other faculty members. Although students were not recognized in the Highland Fling as in years past, their names were publicized monthly in the cafeteria showcase. October's Lad 'N Lassie, Jan Abernathie and Margie Sherrill, were first to be honored. November recognized Todd Curry and Dianne Skidmore and December, Pat DeGravelles and Karen Williamson. January honors went to David Munson and Margaret Zulegar and February, David Bryant and Jamie Hill. Next to be honored were the March candidates Chuck Cecil and Deann Lovell. April honors went to Jim Omaha and LaVina Lowery and in May they went to Mark Iverson and Penny Tyson. Finally, June recognized two Lads, Kevin Beaver and Eric Johnston.

Outstanding Athlete Candidates

Senior athletes pictured here are candidates for *Outstanding Senior Athletes* in their respective sports. They were selected for this distinction by their coaches based on their athletic performances and leadership. A special award will be given to the outstanding athlete.

They are expected to participate in C I F water polo, cross-country, football, wrestling, soccer and basketball. "We expect to participate also in C I F track, baseball and softball," said the editor of the yearbook. Not pictured are Robert Devers for track and Peter Young for football.

Seniors Boogie In "Dance Mania"

EVERYBODY'S DANCING
DOWN

ALL HERE WHEN GOURLEY DANCE TO HARD TO GET

PLEASE TELL ME TO YOU SHOULD HEAR HOW SHE TALKS ABOUT

Dance Mania, a collection of dances choreographed and performed by Helix dance students, was presented in a concert in the Helix gymnasium on February 17 and 18. The program was primarily a variety of dances developed in the advanced dance class. Senior girls invited senior boys to participate in their routines for the show; consequently there were two senior boy-girl dances. Said director Mrs. Leslie Messier, "The show is successful because the students involved are conscientious, responsible and talented. They should be proud of such an accomplishment. Each year I develop a closeness with the students. I think nothing will ever be as successful, yet each year Helix has enthusiastic and sincere people involved. I remember a time when I had to choreograph almost the entire show and now I usually do one or two dances. Students are very involved and determined to create their own masterpieces."

Comedy Tonight Take 4

Over the past four years, Comedy Tonight has become a tradition with the drama department. It consisted of numerous comic scenes which Mrs. Noll, director, chose from viewing plays during the summer. Comedy Tonight was performed by the advanced drama students with auditions lasting one week. The production opened on November 18 and lasted three days. According to Grant Conrad, "This was by far the best Comedy Tonight ever."

Foreign Exchange Students

Tiziana Lombardo, an AFS student from Gurni, Italy, lived with the Bras family while attending Helix. When asked about high school in Italy she replied that it was generally more difficult and concentrated on preparing students for a particular field. She enjoyed going to the beach and visiting the many attractions around San Diego.

Going to the beach and visiting Sea World were things that *Miguel Zarza* came to admire about San Diego. Coming to America through the World Experience program, he lived with the Nye family. Comparisons between America and his native country of Paraguay centered on weather conditions. "At home it is hotter in the summer and colder in the winter," he said. When he returns to his country he will attend high school classes lasting from February through November.

The Norm family became host to *Alex Ramel* who is here from France through a program called World Experience. Alex discovered that "everything in general" was different between America and his native France except for the climate. Alex was particularly impressed with American football, baseball, and cheeseburgers.

To have a better understanding of American people their way of life was a big reason *Olli Kariniemi* became an exchange student through the Youth For Understanding program. While attending Helix he lived with the Martin family. His favorite American things include "skating, the ocean and pies from Marie Callenders." He stated that compared to his country of Finland, school is easier here. In his home of Helsinki he attended high school from August through May.

Scots — 1982 C.I.F. Champs

The season that wasn't supposed to be. The 1982 fighting Scotties were crowned CIF Champions. With only four returning starters from last year's squad, many saw this a down year for Helix. Renato Schaffer, Mike Biggs, Kevin Mahoney and Pete Young led the team. The '82 Highlanders opened the season against 7th ranked Patrick Henry and defeated them soundly 30-6. The next big test came against Mount Miguel, the team favored for the Grossmont League Crown. Helix came out the victors with a score of 12-6. Next was a non-league matchup with the top 2A team in the county, El Camino. Helix led 14-0 at the half, but let the lead slip away against the fired up Wildcats and took a 15-14 loss. That loss marked the only loss of the season for the Scotties. What followed was an undefeated league record with consecutive shutouts coming against Granite Hills, ElCapitan, and Monte Vista. Defense was the Highlanders forte and that became evident with defensive standouts Mike Biggs, Kent Swartz, and Chuck Cecil. The Mad-Dog-Defense gave up just under a touchdown a game. As the season progressed so did the offense. Running backs Jerry Fanning, Tracy Downs, and Steve Webster, comprised a backfield

which earned more respect with every game. One weapon that the Scotties had in their arsenal was the foot of two time CIF Kicker of the Year, Scott Webb. He converted 41 of 43 PAT's and 14 of 16 field goal attempts. With a third straight Grossmont League Championship behind them, the Scots would face Fallbrook in the first round of the CIF playoffs. Helix was victorious and registered a 24-6 score. The somewhat surprising Highlanders now faced Morse in the semi-finals. Highlighted by a 98-yard fumble recovery and return by Renato Schaffer, the Highlanders defeated the Tigers 27-7. Mount Carmel would be the foe in the CIF championship. Southwestern College was the sight and an unusual afternoon game. The scoreboard read 7-6 at the half and the Scotties were 24 minutes away from a dream becoming a reality. Late in the fourth quarter, Scott Webb boomed a 26-yard field goal and Helix led 10-6. That would turn out to be the final score as Helix had achieved something many felt impossible. CIF CHAMPS 1982. The critics had been silenced and Coach Arnaiz held up the coveted trophy in front of 4,000 loyal, screaming fans. What had been a year-long dream was now a reality — CIF CHAMPS!!

J.V. Registers Perfect Season

A good football program starts at the Junior Varsity level. Head Coach Dick Langston with assistants Larry Rhinehart, Jeff Stodard, Rory Cambra, Nate Benjamin, Rick Faucher, and Greg Brackin, help put together an unblemished, undefeated season. The team was crowned Grossmont League Champions for the third consecutive season, and defeated non-league opponents Patrick Henry and El Camino. The offense was led by sophomore quarterback Tim Quinn who doubled as a free safety on defense. Linebacker Larry Tucker spearheaded a stingy defense. Running-back Larry Clark plowed his way through opposing defenses before he was called up to display his talents on the varsity level. The passing attack was a force to be reckoned with as Tim Quinn hooked up with receiver Larry Simms for numerous long gainers. Coach Langston could only smile as he reflected upon the future of his '82 squad, "We had a great year. This team was one of the best teams I've ever had, and I've had some good ones. I know they will only compliment next year's varsity," he said.

Harriers Achieve Main Goal

"This year's team had a very positive attitude, much more than last year," stated coach Tom Smith. The team, finishing fourth in the Grossmont league, was led by top runners Ron Raines and Brad Sager. The harriers won five meets and lost three in league competition, while they finished with a six and three record in overall competition. The team achieved its main goal by qualifying for C I F, finals at Morely field, and placed eighth in San Diego county.

Girls Cross Country Experience Winning Season

Finishing second in league and fourth in San Diego county, the girls cross country team experienced another winning season. They were led by all-league and all-C I F senior Deeann Lovell to a 6-2 league record and 7-2 overall record. Other top runners for Helix were freshman Laura Meyer, Wanda Johnson, Anne Kidney and Cheryl Barnes. Lovell and Meyer were chosen as the team captains for the young '82 team. "We had only one senior of the top seven girls on the team and that was Deeann," explained Coach Tom Smith. "Our goal was to improve our record from last year, to be second or better in league, and be one of the top five teams in San Diego county." Coach Smith was assisted by John Geary and Tim Earle.

Waterpolo Splashes Into Victory

With the combination of young and experienced players, this year's team finished second in league behind Valhalla. Seniors Brad Bidwell, Andy Biehl, and Jim Omahen were selected to all-league recognition. While Bidwell was first team all-league and first team All-CIF, Omahen and Biehl were selected to second all-league team. The remainder of the team played an equally important part in league and post season play. The Scotties finished their season by winning the Fallbrook Invitational Water Polo Tournament.

Tennis Is On The Upswing

Led by head coach Ross Walker and assistant Bill Bruce, the varsity tennis team ended their season in 6th place. Top singles competitors were Helen Bechelsky, Lorraine Mungia, Mary Lou Mungia, all of whom plan to return next year. Said coach Walker: "These girls returning will add strength to next years team." The JV squad finished 2nd in league play, and according to Walker, "They should add more power to the '83 varsity squad. Most members of both teams will be returning, so watch out for us next year!"

Spikers Finish 3rd,

Overcoming a height disadvantage, the Varsity team had a winning season. The team finished with an 11 and 5 record to take third place in the Grossmont League. Varsity also competed in the Hoover Cardinal Classic and the Serra High School tournament, where they made the playoffs and finished third respectively. Coach Denise Hume said that "the team really came together all of a sudden, we just seemed to click." This year's team was led by M V P, Miranda Surber (first team all-league) and Kathy West (honorable mention). Seniors Linda Holmes, Gigi Bradley, and Junior Julie Moser were also important parts of the starting lineup.

The Junior Varsity finished the season with a record of 10 and 6 in league, for a third place title. Team awards went to Sophomore M V P Chanda Minich, Captain Monique De Chaine and most determined, Gretchen Ehlers. On her first year of coaching, Claudia Townsend felt "the team had a really good season, and I was very pleased."

Scottie Hoopsters Defend League Title

Winning basketball games has long been a tradition at Helix. The '83 Scottie hoopsters were no exception. Led by six returners off last year's squad that captured the Grossmont League Championship, a banner year became a reality as they finished with a 15-1 record. Jim Mutter, Jim Coyle, Rusty Nelson, Tyrone Muldrow, Scott Webb, and Chuck Cecil all returned for another season. Head Coach John Singer felt that experience and depth were the biggest qualities of the '83 Highlanders. "We had three returning starters and all three have enjoyed success and they know how to win," he said. Singer, a 1971 graduate of Helix, took over the basketball program as Head Coach last season after 3 years at the J.V. level where he compiled an 88-8 record. His freshman debut as Varsity head coach saw him lead the Scots to a League Championship and the CIF Playoffs. The team had set qualifying for the CIF Playoffs as a goal that could be met. Although only the two top teams in the league would qualify for the playoffs, Coach Singer remained confident when he said, "We've got to work to play well consistently. If we play up to our capabilities, we can stay with any team in the county."

J.V. Hoopsters Shoot For Top

Finishing in first place in the Grossmont League was just one of the hopes head junior varsity coach Frank Theroux had for his '83 hoopsters. Led by returners Mike Favero, Bob Surber and Eric Miller, the J.V.'s compiled a 15-4 record overall. Theroux looked for leadership from the returners who captured the league championship last season. Theroux felt Mt. Miguel, Valhalla, Monte Vista and Santana would be the strongest opponents and most likely to take the championship trophy from the Scotties. A one-point loss to Mt. Miguel midway through the season moved the Scots into a first place tie, however Theroux thought the chances of defending his league crown were good. "We're no doubt the best team in the league. It's just a matter of playing to our potential. These guys will definitely make a good contribution to the varsity next season," he said.

Varsity got off to a solid start this year. Their hitting and intensity level improved with each game and greatly added to their success. At the end of the first round they were in second place and expected to finish the season as one of the top three teams. Varsity was led by returners Miranda Surber, Julie Moser, Gi Gi Bradley, Denise Mc Burney and Suzy Brumbaugh. While they were coached by Rick Ash and assisted by Robyn Demchak, their manager was David Jordan.

The junior varsity team had a slow start due to their lack of experience. "With only four returning players, it takes a while to get used to each other," said coach Donnie Van Hook. But, by the end of the first round they were executing plays and moving up in league standings. Coaching the team was Donnie Van Hook and assisting was Alison Usher.

"We expect to take first or second in league and then our goal would be to take C I F," explained Coach Rusty Gray. Senior Cliff Croxal was the leading scorer for the Scotties, while Jay Igney was the top defensive player. Jim Myers was also recognized by the team as a good playmaker. Helix won for the second year, the Grossmont League Christmas Tournament, hosted by El Capitan and Santana, by defeating Mt. Miguel (2-0), Granite Hills (4-2) and Christian in a tiebreaker kick out. Helix and Valhalla were the top contenders for first place in the league and Helix's only first round league loss was to Valhalla. This year's record was the best the team has ever had. Helix also added a new dimension to their squad. Senior Kathy West was the first Highlander girl to make the Scottie team. Coach Gray noted that there were many outstanding players on the team and they all should receive recognition.

Wrestling Has Rebuilding Year

The 1982-83 Junior Varsity wrestling team, coached by Mr. Dick Lanston, completed their season in a winning fashion. "Throughout the season the team improved a great deal, which will be beneficial for next year's team," stated Coach Lanston. A well balanced team, the J.V. demonstrated strength in each weight class. According to Coach Lanston, individual standouts were John Backman, Chris Cronk, Tim Duenas, and Mike Martinez.

Varsity Baseball Defends League Title

Last year Helix walked away with championships in four different sports. Football, Basketball, Baseball, and Track all dominated the Grossmont League. Probably the most surprising was the Baseball team. They were not only Grossmont League Champs, but came within one run of being CIF Champions. A heartbreaking loss? maybe. The end of the world? . . . no way. This year's team had 8 returners, 5 of which had starting duties at one time or another last season. First Team All League selections Scott Webb and Corey Way join Second Team All-Leaguer Matt Haar, along with Jim Mutter, Jim Coyle, Chuck Cecil, Athon Denos, and Doug Miller. Head Coach Jeff Bortelle along with assistants Donnie VanHook and Bob Lucas, feel good about their chances to retain their league crown en route to the CIF Playoffs. "We have got some good athletes. We've got some returners from 1st year, and they have been successful in their other sports . . . they know what it takes to win," Bortelle said. The team set their main goal for the the CIF Playoffs. And as Coach VanHook put it, "If these guys play like they are capable of, those playoffs will be a reality . . . again."

J.V. Looks to Finish Strong

The 1983 Helix J.V. Baseball team has set goals that head coach Rick Ash feels are attainable. The team expects to improve everyday and, with hard work, expects to contend for the league title. "Defense is our strength. We have some good fielders and some pretty good pitchers coming back from last year," Ash said. Third baseman Tim Quinn will lead the infield and Willie Davis heads the pitching staff. Former Highlander John Alvarez will assist Ash and will help with the incoming Freshmen who should make a good contribution to the team. "We have a good crop of Freshmen and, combined with some experienced sophomores, we should be in the race for the league crown," Ash said.

Another Championship

"This team was a group of dedicated and hard working individuals," commented head coach Tom Smith. The team had a lot of experience especially with the sprint crew. Experienced sprinters included Kevin Beaver, Tyrus Brooks, Steve Webster, Robert Devers, Mark Allen and Mike Anderson. The distance team was young, however, including runners Brad Sager and Ron Raines. The team set the goal of trying to increase their 45-0 dual-meet record, and to be in contention for the league championship again. The team started off with three league victories against opponents Mt. Miguel, El Capitan, and Granite Hills. Coach Smith was assisted by coaches John Geary, Mel Jacobs, Carlton Hogard and Greg Brecken.

J.V. Seeks League Title

Junior varsity track had high hopes for improving their season, also, from last year's 6-2 record in league competition. They believed there was a strong chance of becoming league champions. According to coach Smith, "This year's young team has very talented individuals that are very hard working and dedicated." Fenton Brembry and Chris West were among the top competitors for the Highlanders.

Girls Strive To Improve Record

"This years girls' track team has a good possibility to improve last year's 6-2 record," stated coach Tom Smith. Both experienced upper classmen and younger, talented girls combined their efforts to strive for a 7-1 season record. Top competitors for the Scotties were seniors Miranda Surber, Decann Lovell and Brenda Mathis.

Tennis Experiences Rebuilding Year

At one time or another, every coach talks about a "rebuilding year." The 1983 Helix tennis team was definitely in a rebuilding stage. Dave Nislett was the sole returning letterman from last year. Nislett received First Team All-League honors as a junior and was expected to fare well this season also. The remainder of the '83 squad consisted of new students, freshmen, and members of last year's JV team. "We're young and inexperienced. But we're building for the future," said head coach Ross Walker. With so many underclassmen on the team, coach Walker expected to finish around the middle of the league standing. His outlook for the future was optimistic; however, "We are young, but we are getting much needed experience. Things look good for the next two or three years," Walker said.

Hard Work, Dedication Pays Off

Under the direction of first year Helix coach Mike Smith, the outlook for the season was very good considering that after one meet, five league records had been broken. Andy Biehl and Jeff Learn set records in the 200 I.M., 100 backstroke, and 100 butterfly respectively. Freshman Marty Binder set new records for the 500 and 200 freestyle. The varsity team had many valuable experienced swimmers returning. Top competitors were seniors Andy Biehl, Brad Bewell and Jeff Learn and freshman Marty Binder.

Team members were: J. Backman, B. Bidwell, A. Biehl, M. Binder, E. Birdwell, T. Cantor, D. Darby, R. Hall, J. Learn, J. Lee, I. Merton, J. Omaben, P. Smith, B. Waymore, T. Watson, S. Ybarrodo, G. Young.

Senior Andy Biehl executes a perfect dive in the 400 freestyle relay.

Upward Stroke the Swimmers

This year's girls swim team, led by their new coach Cheryl Leslie, had a high outlook for their season. According to coach Leslie, "There are a lot of experienced swimmers and the freshmen are really strong." Team captains, Kristy Rankin and Liz Vitai, both seniors, along with Cindy Wilcox, senior, Angie Collymore, sophomore, and freshman Shawn Morneau were the top contenders on this year's team. The team's goal was to finish within the top three teams in the Grossmont league. Although the swim season was changed to the spring this year, it had no apparent effect on the team, though some girls may have been torn between sports.

Varsity members: T. Barnes, K. Beach, E. Biehl, S. Brumbaugh, T. Brumbaugh, A. Collymore, B. Dapree, B. Foerester, W. Howell, A. Peterson, K. Rankin, A. Rittershofer, P. Smith, L. Vitai, and C. Wilcox.

Few Divers, But Experienced

Beating Mount Miguel and Valhalla was the boys' diving team. Though the divers lacked experience, they were potential. Returning divers were Jim King and Dave Kinnaman who led the team. The team felt that Dave Kinnaman should be CIF again and help to lead the team.

Though two divers does not seem like much, Missi Wilson, returning varsity diver, and Joeli Igarashi, returning top junior varsity diver, combined talents in hopes of having a successful season. Both Missi and Joeli were permitted to compete in diving as well as gymnastics, and they performed well in both sports. Both girls stated that they were excited that they were able to help the swim team out. With their experience, their goal was to make CII.

Teams Motto: Hard Work, Effort

Hard work and lot of effort was the Girls Basketball teams' motto this season. The team had eight returning varsity members all but one were seniors. The Highlanders were led offensively by Senior Stephanie Krause and defensively by Senior Jane King and Junior Julie Moser. Mary Colbert, Laura Gladhill and Mary Bongard were also strong competitors for the team. "We are going to surprise a lot of people this year. We are ranked fifth in league, but I know we'll do better than that," stated Coach John Singer. Besides league play, the girls participated in the Chula Vista Tournament three weekends in March, and the Coca Cola Highlander Tournament held at Helix over the Spring break.

J.V. Works For Improvement

The J.V. girls basketball team had a fresh group of girls this year. Many of the best players last year moved up to Varsity, leaving several open positions. Third-year coach Kathy Bryans worked hard to develop the skills of the young girls. Sophomores Sally Hill and Alicia Gutgesell were top competitors for the young team. "We are working for improvement every day, the girls work hard to become better basketball players and they will be in the long run," commented Bryans. Frank Theroux assisted Bryans with the coaching in both practices and in the games. The team had hopes for a high finish in league.

Coach Dan Plough had a positive outlook with his team. "We have the potential of beating any team this year," Plough also noted that Valhalla, Grossmont and Granite Hills should be all very strong this year. The top five golfers were Highlanders Benton Van Woven, Jerry Nelson, Bill Boyne, Dan Romanowski, and Jim Money. These five and the rest of the team set the high goal of winning the league championship this season.

Make Winning Team

Highlanders In Action

We have long been known for our superiority in our athletic programs. We strive for perfection. We have an unyielding drive to win and to never give up. During the thirty-two years of our school's existence, we have built a supporting program of which we are proud. Our prideful ways have kept us working hard, striving for the excellence that we have now achieved.

To us, our high goals might not have been met, but that leaves something to strive for our tomorrows. We've come a long way, and our pride has not failed.

Sophomores Dubbed Clan Napier

Clan Napier, the Class of '85, displayed their spirit by getting an early start preparing for senior year expenses. They involved themselves in activities such as carnation sales and M&M candy sales. Monthly meetings were held to plan for the class' future years at Helix. While Sophomores were advised by Mr. Al Larson, their officers included Elianne Goodell, president, Tina Constantino, vice-pres., Kris Stinger, secretary and Kathleen Plum, treasurer. The board members were: April Allen, Arlene DeVera, Libby Gillingham, Merideth Korn, Tammy Ledford, Steve Merghart, Denise Oleskow, Chris Parks, Paula Preenkowski, and Heather Shaughnesy.

Admin Experiences Role Change

Helix principal, Dr. Robert E. King left the campus early in the school year to become acting assistant superintendent of educational services in the Grossmont district. At his district post, which he accepted temporarily to replace Lois Nossoman, who was ill, Dr. King's work involved such issues as ASB finance, athletic eligibility requirements and curriculum review, Regional Occupational Program and Adult School. "I learned about all kinds of things that I didn't know before," laughed Dr. King.

Gerald Reckin, who replaced Dr. King during his absence, returned to his former position as administrative vice-principal. In addition, Larry Maw returned to his former position at El Capitan and Richard Geck resumed his role as student services vice-principal. Don Bonney filled the vacancy as student services vice-principal when Bill Melton transferred to Monte Vista in July.

In Memory Of: James Hart 1924-1982

James Hart, former math teacher, died from cancer on October 16, 1982. He was 58 years old and had taught at Helix since 1962. Despite the fact he was diagnosed as having terminal cancer in February of 1981, he returned to teaching for the remainder of the year. He had planned to return for the '82 fall semester, but was too weak to do so. Hart had many accomplishments during his twenty years in the Grossmont District. He was responsible for the introduction of computers in the math curriculum, and was well-known throughout his community for his knowledge of computers and mathematics. Hart was president of the Grossmont Education Association for two years and served on numerous committees in the association. Said co-math teacher and friend Lewis Freed "Jim was one of the best leaders GEA ever had." The faculty and students at Helix have not only lost an excellent teacher, but also a good friend.

After teaching physics for thirty years, Mr. Frank Watenpugh plans his retire

YOUR OFFICIAL YEARBOOK PHOTOGRAPHER

To Christina

I am so glad to get to know you better
from the moment you & met in the
grade 8 paper as it is known each other
after and will graduate together in
1985 at the same time. I hope you will
not mind if I write you a letter with all
the things I am doing. I hope you will
write me and let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.
I hope you will let me know how you are.

Yours truly

The "Preppy Look" played an important role in Highlander fashion

Clan Stewart: you've seen many changes and fads during your four years at Highlander. You saw four different levels of leadership and understanding for it. It's important to look back on the Prom. You saw a lot of things happen. You saw the C.H. finals three years ago. You saw the tradition of the ever-changing of the Highlander. You saw the preppy look. You saw the Valley Girl. You saw the look of the alligator. So now, you have really come a long way.

		Young Life	38

We have come to another end of another year, one that some of us thought would never end or would end too quickly. This past year has brought on changes in us all, we find that we all have become more of a stable, mature person, and are ready to take on new challenges that our lives have to offer to us. As we become more aware of those around us who are important to us, yet it takes a while for us to find who those people are and to take the time to thank them for all of their help and support that they have given us throughout the years that we have known them. Those people are the ones that we take for granted and just expect them to be there when we are in a time of need. But they will not always be there, for we all must move on to bigger and better things and a new way of life. High school has, or is, preparing us for that day when we walk down the aisle to accept our diploma and for when we walk out of the doors of Helix for good. But as we walk out of Helix's doors that last time, those memories that we will cherish forever will come flowing back to us of our high school days and of all of our dreams that we have dreamed about the future and what it holds for us. But most of all, we will remember those who have helped us and given us their support while at Helix.

We will also think about those who did not think that they were doing much for us, but they were. As Kristy and I sat here writing this, we think about those who made our jobs as editors easier and smoother. We would like to extend a special thanks to the TARTAN staff and let them know that we are well aware of the extra time that was put in to meet our deadlines, which we did! And that the hard work is deeply appreciated. We would also like to give a special thanks to the photographers who all took on a great responsibility when they accepted their positions on the staff

and did a super job at that! Still, there are some other people who have helped us, but are not recognized. First there is Bill George and Chad Nelson, who both deserve a big thank you. Bill and Chad, when asked if they possibly could, took time out of their own time to take pictures that were needed and did a job that was a very well done one at that. Two more people that helped us were John Stickney and Bruce Smith. John was our main photographer from Boyd Anderson's who went to the Homecoming and other various events to take pictures for us. Bruce came to our aid and helped us with information that was vital to us. So we would like to thank them too. Thank you.

But most of all, we would like to give a very special *thank you* to the one person who without his help and support, we would never have had the yearbook that we do. So, Mr. Ray, we would like to give you a very special and well deserved thank you. You did so much for us without asking for anything in return. So Mr. Ray, we thank you greatly and deeply for everything that you have done for us and the yearbook without you, we certainly would have not been able to do it.

Remember as you walk out doors that it is a tradition, but more than that, as you walk out of the doors of Helix, remember that it is a *tradition with a touch of the future*.

Pi Tina, Glad I think
Clim you glad this year
met a geometry. I think
in a real sweet person.
You a real sweet person.
That we have to do it again
when we have some classes
we will have to do it again
I hope you, or maybe some
next year, or maybe some
together over the summer
Estela or Linda, & C) and
movie cool) maybe in
keep cool) maybe in
keep cool) maybe in
music I hope we
make it through
the geometry
dinalo.

Whatever

Let's get
you, Linda, &
the
delix (to

Jenny
(Remember 8th
grade!)

I can't believe
it. We are going to be
upper classmen. We have
till our senior year. One thing I will
had good times all through (you, me,
1 year friendship. Our group I will
always remember is our group (you, me,
Kathy, Gracey, and Karen). One thing I will
always remember about P.E. is Miss Quinell and
"Wingers, Rhythmic Sit-Ups and leg raisers". BORING!
Anyway, I hope we have some classes together again next
year. Good Luck next year and have a great summer
Maybe we can get together this summer you are a great friend
and very sweet. Please stay that way.

Your friend always,
Nancy Gavin
(Class of '85 rules!)

Ina

It has been really nice to
have P.E. with you this year.
Doing that dance in front of
the class. Boy that was really
embarrassing. I hope to have some
classes with you next year. Have
99000! Summer.

Love
Kristi Mangola
